August 2016 Activity Update

The building is larger, has new flooring and paint, and new furniture is on the way! The center is used regularly on Monday through Friday of every week.

****NEW**OPEN HOUSE---THURSDAY, SEPTEMBER 8, 2016, 9:30 - 11:00 A.M., WBR Senior Center** Please join us to celebrate our 8th anniversary of WBR Senior Spirit. ****NEW**LIVINGSTON PARISH DAY TRIP - WEDNESDAY, AUGUST 24, 2016, 9:00 A.M. - 5:00 P.M.**—Many times we hear the young children in our lives express amazement as they learn at school or summer camp. LIGO (Laser Interferometer Gravitational Wave Observatory) is regularly visited by area children and adults. In September 2015 an important LIGO discovery was made related to gravitational waves traveling through space. We will learn more of this discovery as well as the overall work of LIGO. As older adults, we may also be amazed!

Louisiana has many local populations of diverse culture. Near Albany, there are descendants of Hungarian settlers from the North and East United States who arrived there in the late 1800's. Mainly, the settlers were seeking a better agricultural livelihood. Alex and Royanne Krapog, local historians, will board our bus, and relate their history as we visit St. Margaret Catholic Church and the Hungarian Presbyterian Church, as well as the museum building. Lunch is planned at Carter Plantation.

We will leave St. John the Baptist Catholic Church in Brusly at 9:00 a.m. and return at approximately 5:00 p.m. The cost is \$50.00 and includes a meal, admission, and motor coach. Please call Carolyn Dupuy at St. John the Baptist Catholic Church, 749-2189 to register. Payment is due by Friday, August 12, 2016. The trip is definitely “a go,” however there is still room for more Senior Spirit participants.
