**Debris Disposal:** *Sec. 34-59. - Storage. (b) Containers.* As it relates to the proper disposal of construction debris, materials or refuse, construction contractors shall provide the appropriate containers that comply with the proper parish codes relating to disposal and collection of construction waste. Compliance with all parish codes may require the use of privately owned, maintained and operated dumpsters. These provisions relate to any and all structural erection, remodeling, repair, or demolition.
